### The Opioid Crisis

At least 130 people a day die from opioid overdoses in the United States, reflecting a dramatic rise in addictions to prescription painkillers, heroin and synthetic opioids, such as fentanyl. You might know that the Episcopal Church, our Region III, our diocese, your priest, all are deeply involved in addressing this pandemic.

Thirty of us from across Pennsylvania, Virginia, West Virginia, Maryland and D.C., including Bishop Michael Klusmeyer from West Virginia, travelled to Huntington, W.Va., for a pilgrimage throughout the city to learn: "What it was like, what happened and what it's like now." The state of West Virginia has been hard hit by the opioid pandemic and is filled with bleak statistics and grim stories; Huntington has been called "the epicenter of America's opioid epidemic." The city of about 50,000 on the Ohio River drew national headlines in 2016 for a cluster of at least 20 nonfatal overdoses in a 53-hour period, and in 2017 Huntington and its surrounding Cabell County logged 1,831 nonfatal overdoses and 183 deaths. Officials estimated about 10,000 people in the county were addicted to drugs out of a population just under 100,000.

West Virginia, due to its high rate of physically exerting occupations, was a city ripe for pharmaceutical companies to target as "needy" for pain-relieving drugs like OxyContin. While there, I heard a statistic of "473-1 available doses" of the highly addictive drug being sent to the state. So there were 473 of those little white pills available per person there. Apparently when noticed, a ban was placed on the drug, which resulted in now-dependent patients hooked on the drug and turning to their only option — heroin off the streets.

You might want to take a look at the PBS documentary that depicts this crisis. Here's the link: <https://youtu.be/w67IDMY2tn8>.

We, the Episcopal Church's Province III, found in Huntington a city now credited with becoming the "epicenter of recovery," There is a real "resurrection story" here. Thanks to solid partnerships between government agencies, health care organizations and church leaders, all following the lead of one prominent Episcopalian, Mayor Stephen Williams, the city is being born again. We spent two hours with the mayor, who described Huntington as a "city of solutions," the most notable being the quick

response teams on standby to respond to every overdose call. Clergy members across faiths and denominations have been trained as members of the teams, along with police, paramedics and addiction-recovery counselors.

Mayor Williams said, "Opioid addiction is a disease. We need to first and foremost seek to save lives, transform lives." In the process, he said, the whole community is transformed for the better. The mayor gets credit from many corners for rallying the community to work toward a solution. In September 2014, he issued a call to prayer in a letter to all congregations in Huntington. This sparked an energy, at least in the faith communities, according to clergy with whom I had a chance to speak. One last thing the mayor told us, and I think this is crucial, was, "You can't arrest your way out of this."

The Opioid Task Force of Province III came to be when the Episcopal Church called on all dioceses and congregations to respond to the opioid epidemic. The 79th General Convention passed a resolution in July urging Episcopalians to partner with those in their communities on the front lines of the crisis and to help create resources for education, prevention and pastoral care. Bishop Klusmeyer said, "We have to get the church in a leadership role." Another important role the Episcopal Church can play is to spread a message of compassion and hope as people suffering from addiction work to rebuild their lives, with the realization that "they're not just drug addicts, but they're human beings."

There are so many takeaways from this experience. Here are some of them:

1. Now that we have eight volunteers for the Cuddling Ministry, I'd like to get two to three volunteers to visit Lily's Place (here's the web site: [www.lilysplace.org](http://www.lilysplace.org)) and see if we can replicate their ministry to wean babies off opioids. There are only two of these places in the country.
2. We need to have Narcan available at the church. It's becoming standard operating procedure for informed churches.
3. I'd like to introduce somewhere within our liturgy "The Serenity Prayer." For those secretly suffering from an addiction this is code that says, "We are a safe place here for you to ask for help."
4. As we offer gluten-free bread for those who suffer from this life-threatening allergy, we need to offer grape juice as an alternative for those suffering from another life-threatening allergy.

I am so grateful to have been on this pilgrimage to Huntington. Good news is that in 2018 this city reduced its overdosing crisis by 40%. Hope abounds.

## Announcements

---

**Thank you, thank you!** St. Brendan's would like to thank Mike Newton and his army of helpers for all the planning and preparation that went into the parish hosting this year's diocesan Lenten Learning Day. Because of Mike and his hard-working volunteers, the bishop and other attendees at last Saturday's event saw firsthand what a beautiful and welcoming place St. Brendan's truly is.

**Do you have a special prayer request?** You can write one and leave it on the prayer plate by Regis' office. On Sunday those prayers are offered up to God during the 8:00 a.m. worship service. They are collected by the Community of Hope, and added to their daily prayers. Then each month those requests are also included in the Community of Hope's Circle of Prayer meeting. The written requests are then burned, in accordance with the proper disposal of blessed items. All prayers and requests are kept confidential.

**A BFF donation** was made in memory of Jack Pingree, by his daughter, Chris Botti.

St. Brendan's **Adopt-a-Highway** chapter will perform its first roadside litter cleanup of the year THIS Saturday, March 30. Participants, who must be at least 14 years old, will meet at the church at 8:30 a.m. and carpool to the Camp Horne interchange of I-279 in Ohio Twp. The cleanup is usually finished by 10:45. If interested, please sign the sheet on the narthex table or contact Tom Waseleski.

**Book Club** is reading "Educated" this month, Tara Westover's memoir of growing up in a survivalist family in the mountains of Idaho. Living off the grid, Westover's family has a profound distrust of schools, doctors and the federal government. Largely self-taught until the age of 17, Westover manages to get into college and go on to earn a PhD at Cambridge University. We'll gather Thursday evening, April 4, at 7:00 p.m. in the church library for discussion and fun. For more information, contact Pat Carl at [pkarrcarl@gmail.com](mailto:pkarrcarl@gmail.com).

**The Green Thumb Gang** would love your help on Saturday, April 6, at 9:00 am. Bring your wheel barrow, garden rake, shovel and gloves. Sign up in the narthex if you have some time to help.

---

Prayer requests can now be sent to **Community of Hope** through our email; [stbrendans.coh@gmail.com](mailto:stbrendans.coh@gmail.com). This was created to give parishioners and others in the community an extra opportunity to request prayers for anyone in need. We can include those persons in our daily prayers, or send out a prayer via text or email to someone. Please note, this is in addition to, NOT in place of the St. Brendan's prayer list.

**Cuddling Ministry.** It's still a possibility and available to us. Would you like to help newborns who struggle with addiction? West Penn Hospital in Bloomfield has a program to do just that and it's so easy. Volunteers will rock, walk, soothe and cuddle the infants. Times are 24/7. No training needed. The hospital provides clearances. All you need to do is go online at [www.ahn.org/volunteer-application](http://www.ahn.org/volunteer-application) and fill out an application. Someone will then contact you. Please let Regis know of your interest, and go to the web site above to get an application.

Mark your calendar for May 19!  
Come and enjoy a celebration of **St. Brendan's 32nd Birthday!**  
More info to follow!

**North Hills Food Pantry.** Our focus for March is on collecting canned foods; items such as tuna and canned pastas or stews are especially needed. As always, all non-perishable food items or paper products are welcome. Please remember, no glass jars. If you have any questions, contact Ruth Horton at [rvhorton@gmail.com](mailto:rvhorton@gmail.com). Thank you for your support.

**Help Wanted.** Looking for a way to pitch in at St. Brendan's, but not sure how? Here's an area where your help is needed.

• **Fundraising Ideas.** Do you have an idea for a fun and effective fundraiser that would support the mission of St. Brendan's? Maybe you have participated in a great fundraiser at a previous church or at your child's school? If so, please see Chris Botti, the vestry's fundraising liaison, or contact her via email at [shadypatch@msn.com](mailto:shadypatch@msn.com). Thanks!

**CRIS Advocacy** (Christian Response In Emergency Situations) meets monthly on the third Sunday in the library after the 10 a.m. service to determine distribution of the parish's outreach tithe each month. Each person present has an equal voice and vote. The next meeting will be Sunday, May 19. All are welcome.

This week we are praying for the work of Girl's Hope, a residential home for academically capable girls, ages 10 to 18, located in Baden. Following high school graduation, the girls are supported and encouraged to continue their education. [www.girlshope.org](http://www.girlshope.org).

St. Brendan's will benefit from donations of **used ink cartridges**. Please bring them to church and place the cartridge in the box near Katie's office. Thank you.

**Be a BFF!** A donation to the Brendan's Family and Friends (BFF) fund is the perfect way to honor a special day or loved one while supporting unbudgeted building needs of our church. Over the past year, BFF funds have been used to refurbish our sound system, purchase kitchen items such as flatware, microwave, shelving, as well as technology items which make it possible to record Fr. Regis' sermons for our website. These are just a few of the items procured via BFF! Vestry is considering earmarking BFF funds for future projects such as improved cell phone reception in our lower level as well as installation of acoustic tiles in the social hall. Won't you please help make such projects a reality? Please consider making a BFF donation today! Thank you!

**Anti-racism workshop.** Bishop Dorsey McConnell is inviting everyone in the diocese to register for the 2019 anti-racism workshop, "Seeing the Face of God in Each Other," to be held April 5-6 at St. Thomas Memorial Church, Oakmont. The free, two-part event promises be thought-provoking and eye-opening. For more details, go to <https://www.episcopalpgh.org/spring-2019-anti-racism-workshop/>.

Would anyone like to receive the **sacrament of Confirmation when Bishop Dorsey McConnell visits St. Brendan's** on May 12? The parish is considering a one-day retreat to prepare for the sacrament, which persons age 14 and up may receive. Parents are invited to consider along with their children the young person's readiness for this spiritual step into Christian maturity and leadership. Adults who have not been confirmed are invited to take this important spiritual step as well.

The bishop will also receive into the Episcopal Church any person who wants to take that formal step. Episcopalians who would like to reaffirm a commitment to this church community (for instance, those who were previously members of other Episcopal churches) are also eligible to receive a special blessing from the bishop. If you are interested in participating in any of these special rites on May 12, please contact Regis.

We all find ourselves back at the grocery store every week, right? Do you know that you can help raise funds for St. Brendan's when you grocery shop?! Purchase your groceries using Giant Eagle or Kuhn's gift cards bought at church. Because St. Brendan's buys the cards in bulk, the church makes 5 percent on every sale. Cards are sold after both services on Sundays. You can also purchase them during business hours in the church office. **It's the no-sweat fundraiser!**

**Quiet Evening Prayer.** The next candlelight Evening Prayer service is on **Wednesday, April 17, at 7:00 p.m.** This is the Wednesday of Holy Week, and we invite you to include this service as part of your Holy Week observance. The service includes Taize music and silent prayer, reflection, or meditation – with Communion afterwards for those who wish to remain. The service is especially appropriate for this penitential season. Bring a friend and enjoy this quiet time with the Lord.

### Easter Week Services

**Palm Sunday, April 14, 8:00 & 10:00 a.m.**

**Quiet Evening Prayer, Wednesday April 17, 7:00 p.m.**

**Maundy Thursday, April 18, 7:00 p.m.**

**Good Friday, April 19, 12:00 & 7:00 p.m.**

**Saturday, Easter Vigil, April 20, 8:00 p.m.**

**Easter Sunday, April 21, 8:00 & 10:00 a.m.**

The **English as a Second Language (ESL)** team is looking at the possibility of offering a program for toddlers one morning a week this summer. We recently observed an ESL Family Literacy program in the South Hills and learned that there are no such opportunities in the North Hills. The program would serve children ages 2 to 5, each accompanied by one parent or grandparent, meeting for a couple of hours one morning a week in a nursery school/play group format. Before we explore this idea further, we need to see if we have enough people interested in volunteering. We have also had requests to start a summer ESL program for middle school and elementary school children. If you have any interest in learning more and possibly volunteering for any of these new initiatives, please speak with Tim Austin, Linda Schneider, Joyce Donadee, Charlotte Pierce, or Nancy Snyder.

**Trinity Cathedral Walk-In Ministry.** Every five weeks Brendanites help to staff the Walk-In Ministry at Trinity Cathedral downtown, feeding and clothing 70 to 90 desperately needy people. You can help by donating children's diapers; new, white athletic socks and underwear for women and men; toothpaste, razors and travel-size cans of shaving cream. Please leave donations in the wicker basket outside Regis's office. If you might be interested in volunteering at the cathedral in person, please see Linda Schneider, Meg Overby or Tim Austin.

**Episcopal Workday** at the Greater Pittsburgh Community Food Bank. Again this year the diocese's Social Justice and Outreach Committee is sponsoring a repack session at the food bank during Lent. Come join fellow Episcopalians from across the diocese at our volunteer workday at the food bank. We'll be working in the Repack Center at GPCFB's main Duquesne warehouse facility (1 North Linden St, Duquesne, PA 15110) from 9:00 a.m. to 1:00 p.m. on Saturday, April 13.

To reserve your volunteer slot, contact Jerry Stephenson at [JJmestephenon@verizon.net](mailto:JJmestephenon@verizon.net) by Wednesday, April 3. We'll need your name, parish affiliation and email address (so Jerry can send you a link for online registration). Volunteers must be at least 12 years of age and be able to stand for two or more consecutive hours. We are limited to only 20 volunteers this time. Volunteer spaces will be reserved on a first-come, first-served basis.
