Settling Down and Acquiring a Reasonable, Precautionary Approach to the Coronavirus

As the British might say: KEEP CALM AND CARRY ON -- BUT SENSIBLY! Last week when we introduced our initial precautionary measures, some of us appeared uncomfortable and unsure what to do. That's normal for situations like these. In the past week, we have been getting clearer information and becoming more settled in our approach to coronavirus -- and that process will continue.

On Monday, Tim Austin joined a webinar with several Episcopalian healthcare and public health professionals throughout the country and learned new facts. I contacted the bishop and canons and asked for guidance; the bishop has now addressed the issue for the diocese. Anelisa Tarrant (our Altar Guild Leader) and I met to coordinate our practical measures to adopt best practices.

After a very busy and instructive week, here are the important facts and some clarification regarding St. Brendan's precautionary practices to respond responsibly to the coronavirus:

1. The greatest misinformation we had last week was that the intinction of the host (the bread wafer) into the wine was safer than drinking from the cup. **WRONG! IT'S JUST THE OPPOSITE!** The bishop **strongly** advises **against** intinction. Therefore, we will not offer the intinction option at St. Brendan's for now. The common cup will remain in use.
2. The bread will be placed on the recipient's hands for consumption. Each recipient may then drink from the cup if this is his/her decision.
3. All Eucharistic Ministers are asked to participate in a brief in-service on "How to minister the cup in this precautionary season and how to wipe the cup after individual usages for the best safety practices possible." **THIS INSERVICE WILL BE CONDUCTED AT 9:50 AM THIS SUNDAY. All LEMs are urged to attend this important re-training.** The in-service will be video-recorded and sent to all as part of this coming week's sermon blast; it will also be available on our website. **Any LEMs who cannot attend the actual in-service must watch the recording.**
4. The Peace Exchange is an essential staple of St. Brendan's life together. Whereas I will miss the robust hugging that usually occurs, the Bishop has recommended exchanging the Peace by means other than handshakes or hugs. I noticed last week that most people adjusted to the new process fairly easily. It will become more natural with time. Some may have a way to

hug safely and compliantly, and if it's mutually agreed to, I'm not going to interrupt this. That would be an example of your ability to reason — and you know that we Episcopalians do not want parishioners leaving their brains at the door.

5. Come to church as you normally would. If you're not feeling well, however, stay comfortably at home until you feel better — then come back. It's good for all of us to be at church, especially at times of stress like now, because good things happen at church! But we still need to protect the health of our fellow Brendanites.
6. Celebrants and chalcists will keep hand cleanser ... well ... *handy* and will use it.

Above all, just know that everyone hopes that these practices will turn out to be temporary and that we'll be back to normal soon!

Here are some helpful tips and some sound, medical advice from one of the country's experts on coronavirus.

James Robb, M.D., F.C.A.P., is a professor of pathology at the University of California San Diego. He is one of the first molecular virologists in the world to work on coronaviruses (in the 1970s). Dr. Robb was the first to demonstrate the number of genes these viruses contained. Since then, he has remained current in the coronavirus field and its multiple clinical transfers into the human population from different animal sources (e.g., SARS, MERS).

Here's how coronavirus works: this virus is spread in large droplets when people cough or sneeze. This means that the air will not infect you unless you are quite close to an individual who sneezes or coughs. But all the surfaces where these droplets land remain infectious for about a week on average, so items that are associated with infected people will be contaminated and potentially infectious. The only way the virus infects you is through your nose, mouth or eyes, usually via your hands. This virus only infects your lungs.

Here are some of the precautions that Dr. Robb advises:

- 1) NO HANDSHAKING! Use a wave, a fist or elbow bump, a slight bow, etc.
- 2) Use ONLY your knuckle to touch light switches, elevator buttons, etc. Alternatively, use a paper towel or tissue and then discard it immediately.
- 3) Open doors with your closed fist or hip--do not grasp the handle with your hand, unless there is no other way. This is especially important on bathroom and commercial doors.
- 4) Use disinfectant wipes at stores when they are available.
- 5) Wash your hands with soap for 10-20 seconds (this is longer than you think!) and/or use a hand sanitizer greater than 60% alcohol-based.
- 6) Keep a bottle of sanitizer available at each of the entrances to your home, office, etc., and in your car for use after pumping gas or touching other possibly contaminated objects when you can't immediately wash your hands.
- 7) If possible, cough or sneeze into a disposable tissue and discard it immediately, using your elbow only if you have to.
- 8) Stock up now with zinc lozenges. These lozenges have been proven to be effective in blocking coronavirus (and most other viruses) from multiplying in your throat.

Just remember we've been down this road before. Don't forget it has an expiration date. Let's view these seeming denials and "different" ways of doing things as a communal Lenten practice. Make lemonade out of lemons. There's some denial-of-self implied in these precautionary practices. But, why not? It's Lent after all!

Peace and all good,

Regis+

Announcements

In this primary election season **Book Club** is delving into our nation's beginnings and reading the late journalist Cokie Roberts' *Founding Mothers: The Women Who Raised Our Nation*. Join us for an evening of discussion and fun **TONIGHT, March 5 at 7 p.m.** in the church library. For more information, contact Pat Carl at pkarrcarl@gmail.com.

Even as we embark on our **Lenten preparation**, the Worship Committee is necessarily thinking ahead to Holy Week. This is because St. Brendan's marks Palm Sunday, Maundy Thursday and Good Friday (two services); offers a Great Vigil of Easter liturgy on Saturday evening; and then, of course, holds Easter Sunday services at 8:00 and 10:00 am. Each has its own very special character and requires thoughtful planning and careful execution. If you have suggestions for any of these observances or would be available to assist in making the necessary preparations, please contact Tim or Regis as soon as possible.

Email Changes. Most of you have noticed some new emails ("Blasts") coming to your inbox lately. We're making lots of changes to provide timely and informative communication to the St. Brendan's family.

If you think you're not getting emails that you should be, check your spam folder then let us know. If you feel you're getting too many emails, please let us know that as well. We're working to create a master mailing list reflecting your individual preferences, but please bear with us during the process.

Thank you! Katie stbrendanskatie@gmail.com and Debra dkhvis@gmail.com.

St. Brendan's has put together a **Funeral Planning Packet**. This provides you the opportunity to let your loved ones know your final wishes, and it can give them the comfort of knowing what you would want to have. Printed copies are available at the office, and soon electronic copies will be made available via the website. If you would like any assistance filling one out, both Father Regis and Mother Julie are willing to sit down with you to answer any questions you might have. Completed copies can be kept in a confidential file at the church or you can choose to keep one with your personal papers.

St. Brendan's Supper Club is going to start up again. This is a fun time for adults to meet others who they would otherwise never get to meet. It will be three times a year with different people at different homes. If you are interested we will start this April. Please either call, email or sign up in the lobby.

- Groups will be small
- Host has it at his/her home.
- Host determines meal date, time and menu.
- Host provides main course; everyone else takes a dish.
- Group changes each dinner.
- You can only host one dinner.
- The club will meet only **THREE TIMES A YEAR**.

Please contact Janice Moore 412-203-1252, email chicago@zoominternet.net, or sign up in the narthex if you're interested.

Sticks & Strings knitting (and any other needlework) will meet on **Marth 12th at 7 p.m. in the library**. Feel free to bring a friend even if they don't belong to St Brendan's! See you next week! Joni

On May 25, 1988, it was established at a CRIES meeting – in the words of Pat Carnahan, our founding rector who took these notes – that, "As Christians, we are called to respond to the cries of those who are in need because our heavenly Father has responded to the cries of His people in acts of deliverance from generation to generation. Scripture instructs us that we are not to meet the needs of our brothers and sisters with mere charity (i.e. a gift made from our surplus) but with justice – Micah 6:8 – assuring them of the fullness of life which is theirs by divine intention.

The distinction between charity and justice is essential, as it keeps us from focusing on ourselves and becoming enamored with our own 'do-gooding.' The pursuit of justice challenges us to deal with the controversial and the complex. It means that varieties of concerns and viewpoints must be honored.

If CRIES is to succeed, members of the church must feel free to speak to the cry they hear, certain that St. Brendan's will listen to, pray for and whenever possible, support that concern. We believe that the church must be both a sanctuary, a safe place for all, and a beacon of help and hope for those who are in need. If CRIES is to be of St. Brendan's, it must involve ALL of us."

CRIES Advocacy. Christian Response in Emergency Situations meets monthly on the third Sunday in the library after the 10 a.m. service to determine distribution of the parish's outreach tithe each month. Each person present has an equal voice and vote on where the money goes. This week we are praying for the work of two organizations. Pittsburgh North People for Peace, a local effort dedicated to working for a more peaceful and just world. The other is Greater Pittsburgh Community Food who provides food for many local food pantries serving 120,000 persons in Southwestern PA. www.pittsburghfoodbank.org.

The next CRIES meeting is **Sunday, March 15**. All are welcome.

Brendan's Boots. The parish hiking group will leave the church at **9 a.m. on Saturday, March 21**, for the Three Rivers Heritage Trail in Homestead and a chance to spot the Hays bald eagles. Lunch will follow at Mitchell's Fish Market at The Waterfront. For more info, please contact Tom Waseleski, twaseleski@comcast.net.

The Green Thumb Gang would love your help **Saturday, April 4th**. Please bring your wheelbarrow, garden rake, shovel and gloves. Sign up in the narthex if you have some time to help spruce up the outdoors at St. Brendan's.

Thanks to the hard work, time and support of so many of you, **our recent book sale was a huge success.** The sale yielded right around \$4000 to support St. Brendan's budget needs. This healthy sum far surpassed our hopeful goal of \$2000. More importantly, our church family once again pulled together to make this event a success. Whether you donated books, helped with set up, made soup, baked brownies, worked the sale, or cleaned up, so many of you made it happen with the sense of fun and fellowship that is St. Brendan's. A special thanks goes to our youth who cheerfully offered their time and energy during the clean-up phase of the sale. We are so blessed to have such a special group of young people in our midst. Many thanks to all on a job well done!

Used ink cartridges. St. Brendan's benefits from donations of used computer ink cartridges. Please bring them to church and place the cartridges in the box near Katie's office. Thank you.

Used cell phones. St. Brendan's recycles cell phones. Bring them to church and place in the cell phone box near Katie's office. Thank you.

Wanted: a gently used **Scattergories game** for ESL. We used a borrowed game in one class, the students loved it and it was very helpful to them in many ways. Thank you. See Linda Schneider or Joyce Donadee or leave in the vestry office. Thank you!

St. Brendan's is planning to participate in an **Earth Day Event Downtown Pittsburgh** on **April 22**. We are looking for someone with some artistic ability who may be willing to help us design a banner for St. Brendan's to carry in the parade that day. Anyone out there who might be interested, contact Donna Aiello – 412-759-1521 or donna.aiello@forecastdirect.com. Thank you! More details on this event coming soon!

Thank you to Linda Schneider, Joyce Donadee, and the ESL students who prepared turkey joes, pasta salad, veggies and dip, and dessert for the women of **Miryam's Homeless Women's Shelter**.

Second Truck for Haiti: We continue collecting donations for Haiti. The first truck has reached its destination for distribution. Isaac Mondelus, our parishioner from Haiti, now has an additional vehicle that needs to be filled for the next departure. Items requested are sewing machines, light-weight clothing (no sweaters or extra-large sizes), bicycles, toothbrushes, toothpaste, toiletries and school supplies (pens, pencils, notebooks, sharpeners, etc.). Isaac and the Justice Ministry gratefully appreciate your donations.

Quiet Evening Prayer. The next Evening Prayer/Taizé service will be **Wednesday, March 25**. Please add this date/time to your calendar if you would like to attend. The service includes Taizé music and silent prayer, reflection, or meditation – with Communion afterwards for those who wish to remain. This service is especially appropriate for the season of Lent. Bring a friend and enjoy this quiet time with the Lord.

North Hills Food Pantry. We are asking for any kind of canned good donations to help needy families. Please remember, no glass jars or expired items. If you have any questions, contact Donna Aiello donna.aiello@forecastdirect.com. Thank you for your support.

Do you have a special prayer request? You can write one and leave it on the Prayer Plate near Regis' office. On Sunday those prayers are offered up to God during the 8 a.m. service. Each week they are collected by the Pastoral Care Ministry members and added to their daily prayers. You can also email prayer requests to rvhorton@gmail.com. Pastoral Care Ministry members will include those persons in daily prayers or send out a prayer via text or email to someone if requested. All prayers and requests are kept confidential.

St. Brendan's Justice Ministry is looking for new members who are interested in making a difference by working for equality, justice and transformation. Our projects include immigration, voter registration, collections for Haiti, gun violence prevention and the climate crisis. Typically, we meet the third Wednesday of every month from 5:30 to 6:30 p.m. If you are interested, please contact Donna Aiello at 412-759-1521 or Claire Grotevant at 412-974-0617.

At the 2019 Diocesan Convention, a resolution was passed that addressed the need for better communication within the diocese and with a broader public. In that context, the diocese is now recruiting individuals who wish to contribute either by serving on a Diocesan Communication Steering Committee or by acting as a story writer, photographer, or technical expert (especially in social media, alternative media, website design and management). If you believe you may be called to apply your talents in one of these ways, please contact Tim Austin (who has been asked to forward names by March 31). Thank you.

Trinity Cathedral Walk-In Ministry. Every five weeks Brendanites help to staff the Walk-In Ministry at Trinity Cathedral downtown, feeding and clothing 70 to 90 desperately needy people. You can help by donating children's diapers; new, white athletic socks and underwear for women and men; toothpaste, razors and travel size cans of shaving cream. Please leave donations in the wicker basket outside Regis' office. If you might be interested in volunteering at the cathedral in person, please see Linda Schneider, Meg Overby or Tim Austin.
